

Inspiring a Generation

Phoenix Taekwondo

Happy Holidays and wishing an inspiring and exciting New Year to all our students!

It's been a truly amazing year for Phoenix Taekwondo! This year will be remembered as the year of "The Journey" stage show, our awesome charity production with over 100 participants. If you missed the DVD, you can still catch the Journey in full HD on YouTube at; <http://bit.ly/TaekwondoTheJourney>. For any problems with YouTube, the show can also be viewed from the Phoenix website at; <http://bit.ly/wwwTaekwondoTheJourney>. In addition to "The Journey", Phoenix Taekwondo also passed its 150th member mark, enjoyed 100% at the National Black Belt examinations, as well as being finalists at the Didcot First Business And Community Awards. None of these achievements would have been possible without the support of all our members, parents and supporters! Thank you all and here's looking forward to 2018 another year in Taekwondo!

Phoenix Taekwondo: "The Journey" Anniversary Badges are here!

We are excited to announce that our special badges to celebrate our special badges to celebrate 20 fantastic years of Phoenix Taekwondo are set for release in the New Year. The design was inspired by competition winner Eva and every Phoenix student will receive a badge!

A big Xmas well done to all our winning teams on our Christmas Challenge classes!

Didcot Girls' School

School Life

Year 8

Friday 17th November- More Year 8 Success

One of the best parts of my job as Head of Year is hearing about all the great things that Year 8 get up to outside of school; I'm really pleased that more and more girls are making the time to let me know about their interests and achievements.

Jeni Heard is one example of this; Jeni recently became the first junior female to earn a black belt in taekwondo from Phoenix Taekwondo Club. The determination and discipline which are required to earn this are not to be underestimated- well done Jeni!

Phoenix Student features at Didcot Girls School

Phoenix Junior, Jeni, made the Didcot Girls School (DGS) news on her recent success at the National Black Belt Examination becoming Phoenix Taekwondo's first new Junior Female Black Belt! There is a great write up on the school blog on what it takes to make it from beginner to the top. Looking forward to more of these school success stories being reported in the future!

Phoenix Rewards at Manor School Merit Day

Phoenix instructors visited Manor School in December, running taster TKD sessions for students who had gathered enough merit awards at school. This included Phoenix's own Lennon who helped out with some spectacular destruction kicks!

++ Important Dates

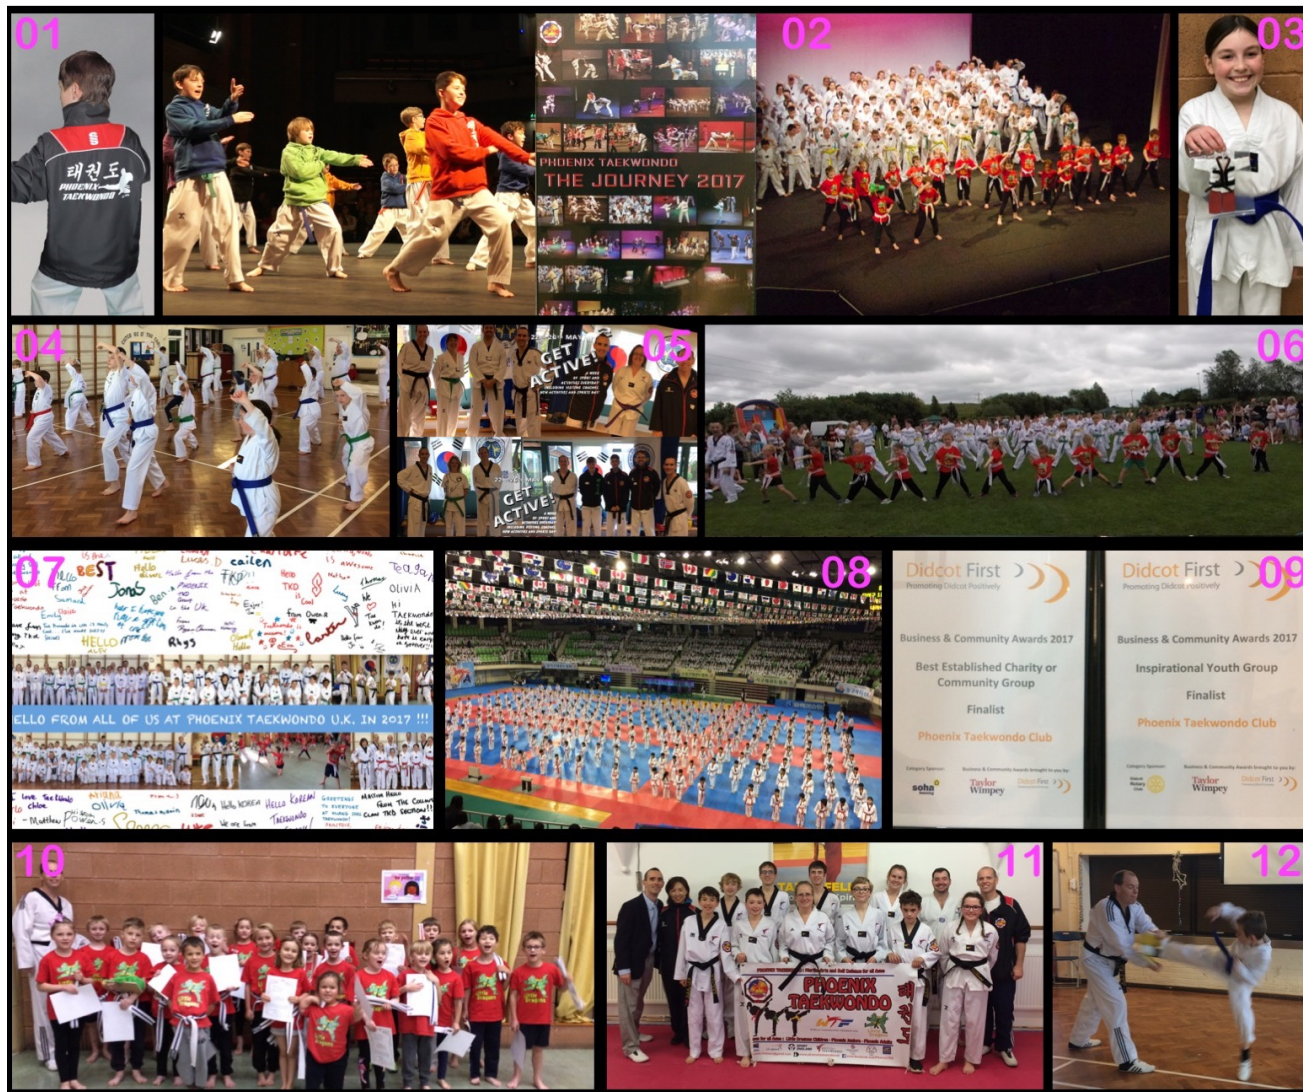

Fri 5th Jan: First Friday class 2018!

Sun 7th Jan: First Sunday class 2018!

Weds 10th Jan: First Wednesday class 2018!

2017 A Year in Pictures for Phoenix Taekwondo

It's impossible to reflect on all the success and achievements over the past year at Phoenix Taekwondo but the pictures below highlight some for each month: our new club tracksuit release, The Journey Stage Show, Commemorative badge design competition, Spring gradings, in-school sessions, summer demonstrations, links to Taekwondo schools in Korea, high Black Belt grading success for our instructors, BACA Award finalists, Little Dragons Gradings, National Black Belt examination success and school award sessions.

++ This Months Little Dragons Tae-Yong Winners!

Well done to Olivia and Rafael for taking Tae-Yong home this month!! Who will it be next month?
