Cub Scouts TKD Taster Session with Phoenix Taekwondo

Phoenix Taekwondo were again invited by the 12th Didcot Scout group to introduce Taekwondo to cubs as a taster session. The session involved an explanation of Taekwondo, where the martial art comes from and Taekwondo as an Olympic sport, followed by a taster session involving blocking, punching, kicking and mitt kicking. Pictured below, Phoenix TKD's Daniel, leading the Taster Class!!

On the 7th May, Phoenix Taekwondo took a small demonstration team to the Long Wittenham May Fair. Seeing how close this event was to the large Spring Grading Examination, everyone did really well to get up to speed in time for the demonstration event. We saw some basic techniques set to music, great mitt kicking from the Little Dragons and some spectacular Family Self-Defence! A special well done to Harry, Tom and Harry for their first time out doing destruction techniques! The timing for the demonstration was perfect as literally as the final board broke and the final kick set down on the ground, the heavens opened with rain!
